Address: 12-220/F/2/1, Vidya Nagar, Kalwakurthy, Mahabub Nagar, Telangana - 509324

Academic Details

- **Sreenidhi Institute of Science and Technology, Ghatkesar**

B.Tech in Electronics Communication Engineering, 2026

CGPA: 8.49

- **Sri Chaitanya Kalasala**

Class XII, 2022

Percentage: 94.7%

- **Brilliant Grammar High School**

Class X, 2020

CGPA: 10

Technical Proficiency

- Programming Languages: C, Java, Python, JavaScript, HTML + CSS
- Skills: Soft Skills, Quantitative Aptitude, Logical Reasoning, UI/UX Design, Machine Learning

Projects

- **Credit Card Fraud Detection** (Apr 2025 - Jul 2025)

Developed a machine learning model to classify fraudulent transactions using algorithms like Logistic Regression, Random Forest, and Neural Networks. Implemented techniques like SMOTE for dataset balancing and focused on precision, recall, and F1-score for evaluation.

- **Noughts & Crosses** (Mar 2025)

Created a modern digital version of Tic Tac Toe with an intuitive user interface, enhancing user experience across devices.

- **Food Delivery Application** (Feb 2025 - Mar 2025)

Designed an application to connect users with restaurants, emphasizing ease of navigation, personalization, and efficient delivery.

Certifications

- Embedded System Developer, Microchip University
- Automotive Embedded Systems, VJTC

Competitions

- Participated in Hackathon, Nov 2024
